WHAT A TAP SIGN IS

A table or counter sign with a built-in NFC tag and QR code. Customers tap or scan it with their phone to open a mobile page for your business, built and hosted by tap by techsorted. Depending on your plan, the page can show:

- Your current specials, and your menu
- A direct link to leave a Google review
- Feedback and catering enquiry forms sent straight to you
- Links to your website and social media

We keep the page running and make your updates for you.

Your page is designed for customers in your premises, opened by tapping or scanning your sign. It isn't a replacement for your website, so please don't share the link on social media or elsewhere online, as offers on it are meant for people visiting you.

PRIVACY & YOUR DATA

- **Feedback and catering forms** are delivered straight to your nominated email. techsorted does not store, keep copies of, or read these messages; we only count how many are sent.
- **Google reviews** are posted on Google under Google's own terms. We don't collect or store them.
- **Visitor statistics** are anonymous page-view counts with no cookies, used to show you how your sign is performing. No personal information is collected about the people who tap or scan.
- **Your page** is hosted on Cloudflare's global network. Your page content (logo, photos, menu, specials) is held only to run your page.
- **Your business details and this agreement** are kept securely for invoicing and our records (for 7 years after the agreement ends), are never sold or shared, and are handled under the NZ Privacy Act 2020.

FEES & PAYMENT

Prices are as set out in the Xero quote referenced above.

- **Setup and signs** are invoiced up front and must be paid in full before your signs are printed and your page is built.
- **Free first month:** the rest of the month your page goes live, plus the whole of the next month, are free.
- **Monthly subscription** is invoiced in advance: the invoice is sent around the 10th of each month for the following month, and is due by the 20th.
- Extra or replacement signs are charged at the current price.
- If an invoice is more than 14 days overdue, we may pause your page until it is paid.

UPDATES

Send changes (specials, menu, prices, details) by email to **tap@techsorted.nz** from your approved address. Updates are made within **2–4 hours** between 7am and 9pm, 7 days a week. Anything sent after 9pm is done from 7am the next day.

Your plan includes up to **7 specials a month**. More can be added on request, which may change your monthly price.

TERMS & CONDITIONS

1. No minimum term. Either party may cancel the monthly subscription by giving **30 days' written notice**. The notice period is billed as normal, and part months are not refunded.
2. On cancellation the signs are yours to keep. At the end of the notice period your page is taken offline and the signs will no longer open it.
3. You are responsible for the accuracy of your content, including prices, specials and allergen or dietary information, and for having the right to use any logos and photos you supply.
4. A small "tap by techsorted" link appears at the foot of your page.
5. We give 30 days' notice of any change to the monthly price.
6. We aim to keep your page available at all times but cannot guarantee uninterrupted service.
7. This is a business agreement: the Consumer Guarantees Act 1993 does not apply. It is governed by New Zealand law.

By signing, you confirm the details above are correct and agree to these terms.
